Classic Escapes' 10-day Tanzania itinerary has travelers witnessing The Great Migration of nearly two million zebras and wildebeests.

The *10-Day Tanzania: Treasures of the Land of Kilimanjaro* takes travelers to visit Arusha, Lake Manyara National Park, Serengeti National Park, Oldupai Gorge and the Ngorongoro Conservation Area. Highlights include game drives in Lake Manyara National Park, where travelers can spot over 350 diverse bird species and tree-climbing lions; a visit to Serengeti National Park to watch The Great Migration; a day of exploring the floor of the Ngorongoro Crater, an extinct volcano turned World Heritage site; and much more.

The guaranteed departure date of this tour is Nov. 4, 2018, although additional departure dates can be added upon request. Pricing for this itinerary begins at \$3,995 pp dbl, including superior accommodations, all meals on safari in Tanzania, all wildlife viewing by land

cruiser, gratuities, park entry fees and emergency evacuation insurance. Optional post-extension to Zanzibar and a hot air balloon safari excursion in Tanzania may be added for an additional price.
