Warrior Awakening: Walking with the Maasai, for example, is a trekking experience with Maasai guides who share their culture and traditional knowledge as you walk in the Loita Naimena Enkiyo forest in East Africa. A horseback safari in Tanzania is another

choice. Oenophiles and foodies will like the South Africa for Food and Wine Lovers tour, which combines game drives at a Singita lodge and visits to restaurants and wineries in Cape Winelands near Cape Town.

### The Boss' Pitch: Why Travel to Africa With Extraordinary

Extraordinary Journeys president, Marcia Gordon says: "As a mother daughter team we bring a wealth of experience and contacts in Africa. I lived in Kenya & Uganda and have been involved in creating exceptional experiences for travelers for over 30 years. My daughter and partner, Elizabeth, brings a fresh perspective on ways of doing business and an awareness of what young travelers are looking for in a travel experience to Africa.

"We make sure that all of our team is involved in inspections, so they all know Africa well. We're always discovering new safari camps and beaches that we want to share with you. We love small luxury properties in fabulous, remote locations that emphasize great guiding and game-viewing, are eco-conscious and have a close and supportive relationship with the surrounding community.

"We also take it a step further, by getting to really know the owners, managers and guides at the camps we use so that we can make the ideal choices for you. Our many years of working on the ground in Africa is your guarantee to the safari of your dreams. This in depth

knowledge allows us to match each individual client to the camps and lodges that will best match their style, interests and budget.

- [South Africa Value and Luxury](#) is a 12-night itinerary highlighting the beauty of South African from Cape Town and Kruger to Victoria Falls. The trip starts in Cape Town visiting sights including Cape of Good Hope and Table Mountain plus optional tours to Robben Island, Cape Peninsula or a day in the Winelands. Travelers will enjoy game viewing at Tanda Tula Safari Camp in Sabi Sabi, the heart of the Timbavati Private Nature Reserve, and at the exclusive Sabi Sand Game Reserve where they may see the white lions of Timbavati.

The trip includes a tour of Victoria Falls, a sundowner cruise on the Zambezi River, an elephant-back safari and an optional white-water rafting trip. Lodging is at luxurious family-owned properties, Kensington Place nestled in the slopes of Table Mountain in Cape Town; Tanda Tula Safari Camp at the Timbavati Private Nature Reserve; Simbambili Game Lodge at the Sabi Sands Game Reserve; and a chalet at Islands of Siankaba.

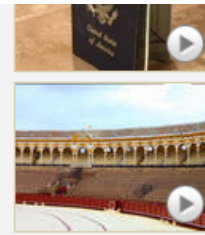

- On a [Botswana in the Green Season](#) five-night adventure, the scenery will be lush. The "Green Season" in Botswana, from November to March, is also known as the "Rainy Season." To balance the weather, there's more predator activity due to many of the grazing animals producing life during this season. Expect game drives, fishing, walking drives and boat drives to see crocodiles and red lewche. Accommodations for this itinerary are at Little Vumbura, a tented camp in the ancient Okavango forest, and at the Liyanti Reserve, Duma Tau Camp which sits on 308,880 acres of diverse, prime wildlife countryside.
