get to buy a jet and then pay around \$1,000. Next up, this is for Andrew. a vacation up here. yeah, there you are. extraordinary journeys, this is they're offering the \$1 million safari. for a family of four, start with gorilla trekking, go to big game, and the sarangeti. you get it to yourself. to yourself? this one, you get the entire - \$1 million, Andrew? no, he had to share it. that's what's great about this one, you don't have to share it with anyone, you get the 350,000 acres to yourself. the whole thing? the whole thing. how many people were there when you were there? no, it's like - anyone else is too many. 30 to 40 people. yeah. and anyway, you go to cape town, you do the wine thing, then you get a beach. anyway, it's a great safari. and victoria falls, too? you do everything. it's a 27-day thing. travel with family is where the rich are spending money right now. now, the last one's for Joe. who has a month to - even if they're wealthy. Joe wants a jet, right? so I went shopping. there's so many jets out there, used private jets for sale. I found you a G3, that's a good condition, really good condition, fairly low mileage, 3.5. but we can get it for you for \$3 million. I know you're a citation, guy. I found you a citation ten, 1998, a lot of miles on it. but that one is \$13.4 million - the G3 is \$750,000. that's a steal for you. that is a steal. how much do the pilots cost? here's the thing - here I broke it down. I broke it down.
