Extraordinary Journeys' Elephant Safari in Botswana and Zimbabwe

Responsible safari company Extraordinary Journeys has introduced a new nine-day itinerary that promises loads of elephant encounters in Botswana and Zimbabwe. The trip begins with four

nights at Stanley's Camp, located in a private concession in one of the most game-rich areas of the Okavango Delta. Here, guests can walk the bush with the area's small herd of three habituated elephants before they head to Chobe National Park, home to the largest concentration of elephants in the world. The trip ends with two nights at Elephant Camp in Zimbabwe, where nine tented suites boast panoramic views of iconic Victoria Falls. *From \$6,000 per person; extraordinaryjourneys.com.*
