

Finnair Launches Service to Xi'an and Hanoi

By Jesse Sokolow on 14 June 2013

  

Finnair announced the beginning of service from its hub in Helsinki to Xi'an, China, and Hanoi, Vietnam. The airline will offer service to Xi'an three times a week through October 26, and service to Hanoi three times a week through October 27.

Finnair aircraft at Stockholm Arlanda Airport

Xi'an is the capital of the Shaanxi province, and is one of the oldest cities in China. The city is home to the Terracotta Army, the City wall of Xi'an, and the Famen Temple.

Hanoi is the capital city of Vietnam. It is also the second largest city in the country.

Finnair has its main hub at Helsinki Airport and is a member of the oneworld alliance. It serves 15 domestic and 55 international destinations.

Conrad New York – Hotel Review

Manhattan's Battery Park City is located on the southwestern edge of the island, literally across the street from Ground Zero and sits atop landfill derived in great part from the excavation for the World Trade Center. The mixed residential and institutional use neighborhood borders the waterfront with parks gracing its North and South boundaries. It is undoubtedly a part of the neighboring financial district, only with a much better view ...
