[Finnair](#) announced plans to open a new premium lounge at Helsinki Airport in spring 2014 near Gate 36 in the non-Schengen area. Designed to complement the original Finnair Lounge, the new facility will be open to Finnair Plus Platinum and Gold members and their guests, as well as frequent-flyer cardholders with equivalent status at a fellow oneworld airline. The lounge will feature new private shower suites, a Finnish sauna and an exclusive tax-free shop. "We are eagerly looking forward to opening a new lounge for our most frequent and loyal guests to keep up with burgeoning demand for our world-class lounge facilities," said Markku Remes, manager of lounge and VIP services for Finnair. "The expanded lounge environment will offer passengers calm, refreshment and relaxation while also showcasing Finland as an international hub of art and design surrounded by the freshness of nature." Finnair, celebrating its 90<sup>th</sup> birthday this year, serves more than 70 destinations worldwide.
