Europe: Fly Finnair from \$609 round-trip

Dublin, Europe, Finland

Why Go:

When it comes to airfare, I don't typically advise booking at the very last minute. But Finnair's current fare sale may just be an exception. Round-trip tickets start at \$609 from NYC to Dublin. With a long list of European destinations at accessible prices, you may just have time to squeeze in a vacation before the end of summer.

What You Get:

- Round-trip economy airfare
