Europe: Fly Finnair from \$655 round-trip

Europe

Why Go:

Finnair has done it again: The airline, which consistently offers some of the most accessible airfares to Europe, just reduced ticket prices to a number of destinations, including Prague, Helsinki, Tallinn, Budapest, and Riga. Round-trip tickets start at \$655; as with many promotions (and especially all-things airline-related), conditions apply. Read the fine print before purchasing.
