This summer Finnair will operate three weekly flights to Alanya, Turkey from April to August. Finnair will also offer additional frequencies to its existing route to Antalya, Turkey. Flights to Turkey operate eight times per week and most of the flights are during the daytime. Finnair is the only airline to operate scheduled non-stop flights from Finland to Antalya and Alanya.

In order to serve the demand from the local business market, extra frequencies will also be added to Vaasa with an evening flight departing at 6:10 P.M. from Helsinki. With the addition of this flight Finnair will now operate six flights per day to Vaasa.
