Finnair to increase flights to Lapland

By [Bruce Drum](#) on January 28, 2014

[Finnair](#) (Helsinki) and the biggest tour operators in Lapland have agreed upon a three-year partnership to increase flights to Lapland as well as a marketing collaboration. Beginning in November 2014, with the start of the winter timetable season, Finnair will significantly add to its Lapland flight schedule. Flights will be added particularly from Helsinki to Kittilä, Ivalo and Kuusamo. Timetables have been drawn up to provide passengers with good connections between Lapland and European and Asian destinations via Helsinki.
