Finnair has lowered fares on off season flights to Europe. We especially like these fares to Baltic cities that rarely go on sale!

Sale fares vary by route, though most are valid through April 30, and again from October 1 through late February of 2014.

Fares include:

- New York to Tallinn \$661 round-trip, including all taxes
- New York to Vilnius \$700 round-trip, including all taxes
- New York to Helsinki \$794 round-trip, including all taxes
- New York to Stockholm \$666 round-trip, including all taxes
- New York to Rome \$772 round-trip, including all taxes
- New York to Budapest \$735 round-trip, including all taxes
- New York to Frankfurt \$798 round-trip, including all taxes
- New York to Gothenburg \$713 round-trip, including all taxes
- New York to Barcelona \$697 round-trip, including all taxes
