

## Finnair Unveils Its New A350 Cabin

Finnair has unveiled details and images of its new A350XWB seating. The 297-seat configuration has 46 seats in Business Class, 43 in Economy Comfort and 208 in Economy aboard the Airbus jet.

Business Class is configured in a 1-2-1 layout, with the Zodiac Cirrus III seat, 16-inch multi-touch screens with audio and video on demand, WiFi, large meal and cocktail tables and AC and USB power outlets.

Finnair plans to begin operating its first A350s in the second half of next year, initially serving Shanghai, Bangkok and Beijing, with A350 service to Hong Kong and Singapore to be added in 2016.
