with *Anthony Berklich*

The small capital of Helsinki, Finland, in Scandinavia, is a special place. A charming city to visit with a world class airline, Finnair, to get you there, it's no wonder the destination is on the top of everyone's "to-do" list. A favorite of the art and design crowd, as well as nature-lovers alike, Helsinki is a cosmopolitan and "green" city that will keep you entertained for days with interesting shopping, world-class restaurants, innovative design and a penchant for organic farmer's markets. Finnair, the national airline of Finland, will get you in and out quickly, safely and in the most luxurious way possible. And, don't forget they'll do it with a warm smile, too. Prepare yourself to be "wowed", because Helsinki will surprise you in ways even the most jaded traveler will find exciting.
