Finnair Opens New Helsinki Airport Lounge Complete with Finnish Sauna

By Brooke Porter Katz | Air Travel, Airports | Comments

On August 4, Finnair is upping the airline lounge ante with a new Premium Lounge at Helsinki Airport, open to Platinum and Gold Finnair Plus members and other oneworld top-tier customers. Set near Gate 36 in the non-Schengen area, the space has interiors by dSign Vertti Kivi & Co—and includes everything you'd expect from the design-forward carrier: Eero Saarinen's renowned Tulip and Womb chairs, Marimekko tableware, and Iittala Ultima Thule glasses—originally created for the airline in 1968. Other perks: private shower suites and a Finnish sauna, complete with Finland-made toiletries that incorporate forest berries.
