Perillo's Learning Journeys Offers New India Program

By [David Cogswell](#)
November 11, 2013 8:20 PM

Perillo's [Learning Journeys](#) division is traveling far beyond Perillo's main destination of Italy with such exotic packages as its "India: Culture and Cubs" tour. The 10-day, nine-night program focuses on major historical sites in Rajasthan, including Delhi, Jaipur, Agra and Udaipur.

The tour combines an overview of the complex historical background of India with personal meetings with local residents as well as encounters with wildlife at the Bear Rescue Center near Agra. Highlights include an elephant ride at Dera Amber; an experience making and flying kites; visits to many temples, palaces, forts and villages; shopping in local markets; cooking instruction; a close-up look at history and art in the City Palace Museum in Jaipur; an encounter with the incomparable Taj Mahal. An optional experience is a hot air balloon ride.
