New Family Adventures in Costa Rica From Learning Journeys

April 29, 2013

By: Newswire

Be the first of your friends to like this.

Learning Journeys Family Adventures, by Perillo Tours, is offering a nine-day family package to [Costa Rica](#) that combines education, culturally rich experiences and adventure, called Costa Rica Family Discovery.

Throughout the trip, certain days emphasize different material, so guests build a hands-on understanding of the country. On adventurous days, families are invited to go white-water rafting and horseback riding at a private eco-ranch, while on culturally oriented days they are learn about traditional Costa Rican activities, like piñata making, and a receive a private lecture on the Costa Rican eco-system by local resident researchers. Distinctly exploratory days offer guided nature walks through private rain forests, an excursion to some private hot springs, and a tour through the process by which chocolate is created.

The package starts at \$2,590 per person, \$1,590 for children under 12, based on double occupancy. The price includes nightly hotel accommodations as per the itinerary, airport transfers, private guide services for all activities outlined in the itinerary, ground transportation, pre-selected meals, and all outlined tours, activates and entrance fees.
