Montreal

This summer's heat waves approached the border of unbearable across most of America—providing just another reason to escape to Canada. [Montreal](#) is just the ticket, thanks to its Quebec-French charm, cool shopping strips and neighborhoods, and exceptional culinary landscape. It's an easy city to enjoy without much advance planning, just remember to reserve a spot at the ferryboat-turned-luxury spa [Bota Bota](#)—so if nothing else you can say you were properly pampered this summer.
