Joining the posh vacation accommodations available from [St. Barth Properties](#) are two new lavish villas, Villa Brume de Mer and Villa Orion. Located a short walk from Flamand Beach on [St. Barth](#), the two-bedroom Villa Brume de Mer provides gorgeous water views and a solar-heated pool with Jacuzzi facing the sea. A shady gazebo is perfect for relaxing or dining, while the villa's main floor contains an air-conditioned living space, dining area, well-equipped kitchen and en suite bedroom. The master suite on the upper floor has a balcony overlooking the Caribbean.

Along with fabulous ocean views, a partially shaded pool and multi-level outdoor living space, Villa Orion features a modern kitchen, dining and living space, a fitness room, and four en suite bedrooms with the master suite located in its own private bungalow with indoor and outdoor showers. Furnished in a blend of contemporary, traditional and mid-century pieces, the villa's full selection of media amenities includes U.S. satellite, Apple TV service, Spotify throughout and a private cinema.
