#LoveWins! Celebrate Today's Supreme Court Ruling With Some Top Gay Travel Stories

June 26, 2015 at 1:33 PM | by [RyanM](#) | [Comments \(0\)](#)

ICYMI (because you don't have TV, or an Internet connection, or social media on your smartphone): This morning the Supreme Court ruled (5-4) in favor of same-sex marriage. Yes, it's now the law of the land in *all* 50 states, and gay people everywhere can enjoy this wonderful, tax-saving institution! Oh, and you know, celebrate being able to love who they love. #LoveWins.

In honor of this happy and historic day, we're highlighting some of our top [Gay Travel](#) stories — since, you know, you might want to plan a vacation to celebrate. (Or elope?) Read through them, enjoy them, share them, and with every exhale feel the elation of equal love!

[TropOut, a New Gay Travel Experience, Launches With This Trip To Thailand](#)

Over 1,000 gay people all coming together in paradise?! Count us in! TropOut is a "sophisticated" option for the gay community that just announced its inaugural week-long travel experience in Bang Tao Beach, Thailand in April 2016.

[Are These The 5 Best Cities To Celebrate Pride?](#)

Pride festivities are already underway in many cities, but AFAR Magazine picked out its "5 Best Cities to Celebrate Pride in America." With options ranging from Boston to San Francisco, you know you're getting some quality gay travel time if you're in any of these destinations.

[Check Out This 'Kingdom' Where Only Gay People Are Allowed](#)

The story behind this sovereign state is pretty crazy. We're not sure we love the idea of self-imposed segregation – but if you're gay, you're able to travel to this island with no indigenous inhabitants. Or you could live there, too. (Be sure to tell Emperor Dale hello for us!)

[Beyond The Beach: Fort Lauderdale For LGBT Travelers](#)

Back in 2013, we detailed Fort Lauderdale and what makes it a great destination for LGBT travelers. It was a cold season when we wrote it – not beach season – so we took the liberty of profiling some of the best off-the-beachen-path options for gay travelers.

[Finally! Airline Publishes First Flight Attendant Calendar of Hot MEN](#)

All we need to say is in the headline, really.

[Travel Trepidation: What LGBT Travelers Should Know Before Heading To Russia](#)

While the news about Russia's anti-LGBT culture is a couple years old now, many gay travelers still have qualms about heading there for a vacation. We outlined a few of our tips for traveling to Russia in 2013. If you're a gay traveler who has visited since, tell us about your experience — did you feel safe? — in the comments.

Now excuse us while we go paint the sidewalks rainbow and continue celebrating today's milestone! *[Image via Flickr]*
