GAME OF THRONES TOUR OF CROATIA

TRENDS

by Benjamin Kerns

If you're one of the legions of devout *Game of Thrones* fans across the world — and who could blame you? — then we've got the perfect trip for you. [Zicasso](#) is offering a week-long tour of the filming locations for the HBO fantasy series.

You'll begin your trip by touring the city of Split, one of Croatia's oldest and most charming cities, where you'll spend a day relaxing in preparation for the tour. From there, you'll transition to Zrnovnica where many of the scenes, including Danaerys', were shot. You'll also get a tour of the Diocletian's Palace, where you'll remember watching the Unsullied take over the rulers of Mereen.

You'll also get to explore the city of Dubrovnik, home to King's Landing. You'll walk to streets where the Lannisters plot and murder, as well as where one of the most epic battle scenes of the series took place.

In between your tours of the filming locations you'll have time off to explore all Croatia has to offer, from shops to dining and performance shows throughout the cities.

The private tours start at \$3,200 per person. Meals and wine tastings are included in the price, but you'll occasionally have to pay for your own dinners, depending on where you're at in your trip.
