### Québec City Winter Carnival, Canada

This annual festival will celebrate its 60th year from **Jan. 31 to Feb. 16** with family activities, live entertainment, ice bars, outdoor dancing, night parades and extreme sports, like the ice canoe racing competition held on the St. Lawrence River. The 17 days of winter events include a 120-meter-long ice slide, skating, sleigh rides and self-led dogsled rides. Visitors can watch teams create themed snow sculptures under the moonlight and 80 participants brave the cold wearing only bathing suits during the snow bath show.
